

International Chamber of the Year Application Form

The International Chamber of the Year award has been refreshed for 2024 to highlight the continued strength and excellence in our network. Entries will be assessed on the achievements of a significant project undertaken by the Chamber which encompasses the values of the Chamber network.

To submit your entry, email this form to membership@britishchambers.org.uk along with your Chamber logo (in PNG or JPEG format).

Please note that only one entry per Chamber will be accepted. We will only be able to accept applications from Chambers who have paid their 2024/25 membership fees in full by Friday 24 June 2024. Entries will close Friday 24 June, 12:00 (BST).

Provide a concise overview of a significant project undertaken by your Chamber.

- Explain how the project supports members, fosters collaboration with Chambers, and its local impact.
- Highlight any commercialisation strategies employed.
- Demonstrate how the project contributes to member recruitment, retention and engagement.
- Describe any notable partnerships or collaboration with other Chambers and stakeholders which were integral to the success of the project.

The winning project will demonstrate innovation, collaboration, tangible impact on the local community, effective commercialisation strategies, and significant contributions to member retention, engagement, and recruitment.
